The great man is he who does not lose his child's heart.
-Mencius-

Uniqueness is a trait many people yearn for but do not possess.

Joe Weavill has a uniqueness along with a natural teaching ability that combine to make him a great teacher. With him American History is not cold, hard facts but a true to life humanistic experience. His dealings with students have this same warm personal feeling. It is for these reasons that we dedicate the 1974 OLYMPIAN to Mr. Joe Weavill

Food Service

This year everyone should have smelled the delicious aroma of sloppy joes, hamburgers, and hot fudge sundaes. If you didn't direct your nose in the direction of the smell, you missed a real treat. The Food Service class of Room 407 supplied many starving Spartans with satisfying lunches this year.

From left to right: Coaches Torre, Gonsalves, and Lanphear.

Sparked by coaching enthusiasm, the enlightened Davis gridiron men anxiously unveiled their new stability to their hopeful fans.

From start to finish, the players showed the Green and Gold as being sustained in desire.

The year started out with two non-conference victories over McClymonds of Oakland and Sonora. Losses to St. Marys of Stockton and Merced did not dampen the Spartan spirit. Powerful wins over Turlock, Beyer, Atwater, and Stagg offset losses to crosstown rivals Modesto and Downey.

Onlookers fastened their eyes on agile musclemen like Sid Cruz, Greg Hampton, and Dirk Bloxham. With the hands of Scott Brown, Curtis Taylor, and Rubin Nino, the offense took care of itself. Running backs Mark Gervase, Jim Wood, and Joseph O'Brien combined with the conference's leading aerialist, Bruce Parker, provided an exciting and colorful season.

This year's Sophomore Champion Football Team was possibly the best sophomore team in Davis history. Their 9-1 record was the result of long hours of practice and their desire to win. After an early season defeat to second place Merced, it was all victory for quarterback Bob Loretelli who threw for over 1700 yards and 22 touchdowns.

Three running backs, Tom O'Brien, Dave Dias, and Mike Munthe were in and out of the Spartan backfield all season. Jeff Torre, Chuck Barth, and Drehne Pearce were Loretelli's favorite targets this season, for they hauled in over 1500 yards of passes, and scored some 22 touchdowns. A very fine line should also be praised for opening holes and keeping opponents out of the Spartan backfield. Mark Schmidt, Rod Griffin, Sam Tris, Dick Horgan, Greg Albiani, Jim Ollis, Kevin Bull, and Wayne Guptill were among the starters who contributed to a fine season up front.

Coach Crum and Coach Houser summed up this year's team, "A fine family of well disciplined young men who worked long and hard together to achieve one of the ultimate goals in football—League Champions." Congratulations Sophomore Team.

The Freshmen Football Team included 64 ballplayers, four top-notch managers, and three coaches. The season would be classified as successful if only the statistics were observed, but when matched with a 7-1 record, it becomes obvious that many fine athletes contributed to the excellent season.

The team was classified as having a "lot of character" by head coach Mike Burrows because there were a lot of "characters" involved in scoring 37 touchdowns this season and amassing 270 points for eight games. This was an average of 33.7 points per game. Line Coach Dick Erler's boys opened the holes game after game so that the backs could average 7.1 yards per carry, and they pass-blocked with "pride" as the quarterbacks threw 14 touchdown passes and collected 1028 total yards passing with a 19.4 average yard gain per completion.

The defense allowed an average of only 4.5 points per game. It intercepted 15 passes, while allowing only 36 points, and ran two interceptions back for touchdowns. Coach Denis France's linebackers topped all tacklers in the season totals.

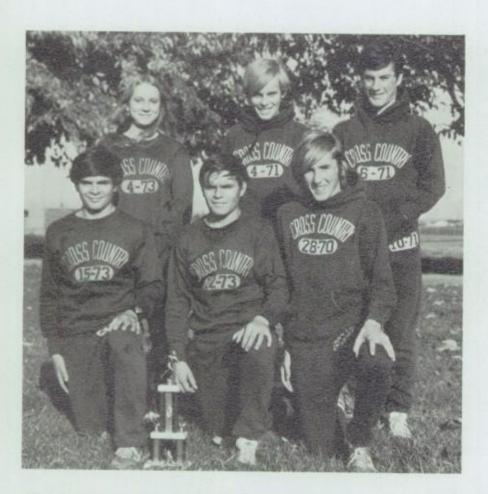

The captains chosen by this year's hard working team were QB Dennis Luond, HB Freddy Pena, and Safety Steve Streeter.

Freshmen

The freshmen started out the season with one runner, but soon had six, ending up third in the conference. In the Sectional, Gus and George Ortega placed second and third in Individual.

This year there was someone new in Cross Country. A girl by the name of Jean Baker joined the freshman team. Jean placed tenth at the Folsom meet with 50 girls competing. She is the first girl at Davis to receive an athletic award for competing on a boys' squad.

Even though practices and games were hampered by faulty weather conditions, the veterans of the team helped to keep the spirit high and the morale strong. With a supporting cast of versatile juniors, coach Dick Windemuth was confident that his team would be a strong contender for a conference title.

Just as there are physical laws that govern the physical universe, so are there spiritual laws which govern your relationship

LAW ONE

GOD LOVES YOU, AND HAS A WONDERFUL PLAN FOR YOUR LIFE.

"For God so loved the world, that He gave His only begotten Son, that whosoever believes in Him should not perish, but have eternal life" (John 3:16).

(Christ speaking) "I came that they might have life, and might have it abundantly" (that it might be full and meaningful) (John 10:10). Why is it that most people are not experiencing the abundant life?

LAW TWO

MAN IS SINFUL AND SEPARATED FROM GOD, THUS HE CANNOT KNOW AND EXPERIENCE GOD'S LOVE AND PLAN FOR HIS LIFE.

MAN IS SINFUL

"For all have sinned and fall short of the glory of God" (Romans 3:23).

Man was created to have fellowship with God; but, because of his own stubborn self-will, he chose to go his own independent way and fellowship with God was broken. This self-will, characterized by an attitude of active rebellion or passive indifference, is an evidence of what the Bible calls sin.

MAN IS SEPARATED

"For the wages of sin is death" (spiritual separation from God) (Romans 6:23).

God is holy and man is sinful. A great chasm separates the two. Men are continually trying to reach God and the abundant life through their own efforts: good life, ethics, philosophy, etc. The Third Law gives us the only answer to this dilemma .

LAW THREE

JESUS CHRIST IS GOD'S ONLY PROVISION FOR MAN'S SIN. THROUGH HIM YOU CAN KNOW AND EXPERI-ENCE GOD'S LOVE AND PLAN FOR YOUR LIFE.

HE DIED IN OUR PLACE

"But God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us" (Roman's 5:8).

"Christ died for our sins . . . He was buried . . . He was raised on the third day according to the scriptures . . . He appeared to Cephas, then to the twelve. After that He appeared to more than five hundred . . ." (I Corinthians 15:3-6).

LAW FOUR

HE IS THE ONLY WAY

"Jesus said to him, 'I am the way, and the truth, and the life; no one comes to the Father, but through Me'" (John 14:6).

God has bridged the chasm which separates us from Him by sending His Son, Jesus Christ, to die on the cross in our place.

It is not enough to know these three laws, nor even to give intellectual assent to them . . .

WE MUST INDIVIDUALLY RECEIVE JESUS CHRIST AS SAVIOR AND LORD; THEN WE CAN KNOW AND EX-PERIENCE GOD'S LOVE AND PLAN FOR OUR LIVES.

WE MUST RECEIVE CHRIST

"But as many as received Him, to them He gave the right to become children of God, even to those who believe in His name" (John 1:12).

WE RECEIVE CHRIST THROUGH FAITH

"For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, that no one should boast" (Ephesians 2:8,9).

WE RECEIVE CHRIST BY PERSONAL INVITATION

"Behold, I stand at the door and knock; if any one hears My voice and opens the door, I will come in to him" (Revelation 3:20). Receiving Christ involves turning to God from self, trusting Christ to come into our lives, to forgive our sins and make us what He wants us to be. It is not enough to give intellectual assent to His claims or to have emotional experience.

THESE TWO CIRCLES REPRESENT TWO KINDS OF LIVES:

SELF-CONTROLLED LIFE

- E Ego or finite self on the throne
- Christ outside the life
- Interests controlled by self, resulting in discord and frustration

CHRIST CONTROLLED LIFE

- Christ on the throne of the life
- Interests under control of infinite God, result-ing in harmony and purpose
- E Ego Self dethroned

Which circle represents your life? Which circle would you like to have represent your life? The following explainshow you can receive Christ:

YOU CAN RECEIVE CHRIST RIGHT NOW THROUGH PRAYER (Prayer is talking with God)

God knows your heart and is not so concerned with your words as He is with the attitude of your heart. The following is a suggested prayer:

"Lord Jesus, I need You. I open the door of my life and receive You as my Savior and Lord. Thank You for forgiving my sins. Take control of the throne of my life. Make me the kind of person You want me to be."

Does this prayer express the desire of your heart?

If it does, pray this prayer right now, and Christ will come into your life, as He promised.
